THE ORIOLE

Published by the JUNIOR AND SENIOR CLASSES
HOLMES-LIBERTY^of SCHOOL 1952

To him, Mr. William "Doc" Donnenwirth, who with his ready smile, capable leadership, quick understanding and sympathy has proven himself to each of us an efficient, superior and true friend, we, the Junior and Senior Classes of 1952, are happy and honored to dedicate this annual.

We hope this will serve as a happy reminder to "Doc" of his days at Holmes-Liberty.

To our knowledge these are our alumni serving in the armed services as of December 19, 1951.

SEATED: Pauline Linn, Business Manager; Martha Kalb, Assistant Editor; Charles Crall, Boys' Activities; Barbara Gearhart, Girls' Activities; Ellen Mae Spiegel, Editor.

SECOND ROW: Mrs. Charles Spiegel, Advisor; Gale Bowen, Calendar; Marlene Hinaman, Calender; Ruth Heft, Alumni; Mary Fayne Keppler, Grade News; Norma Whitmeyer, Class Write-Ups, Latin Club; Dorothy Schieber, Photography; Meri Lynn Boyd, Music; Joan Brinkman, Girls' Sports; Joyce Farmer, Girls' Clubs; Mrs. Ralph Schieber, Advisor.

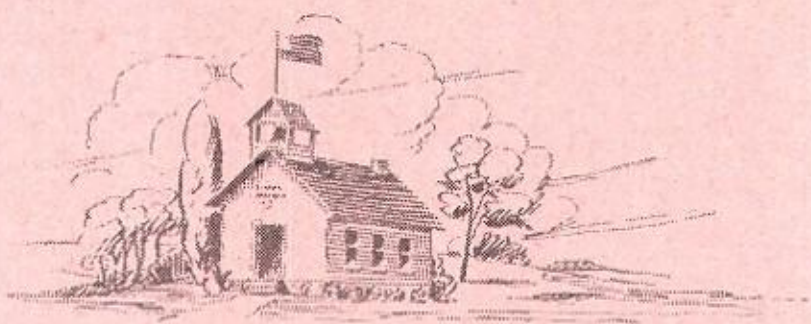

THIRD ROW: Galen Whitmeyer, Photography; Junior Anthony, Boys' Sports; Edward Reiter, Photography; Wayne Scheffler, Alumni; Richard Schiefer, Boy's Clubs; Norman Schiefer, Alumni; James Shaffstall, Art.

The Junior and Senior Classes at Holmes-Liberty decided early in the year to publish an annual for the year 1951-52. A staff was elected and the real work of production started. The first big push came when we went over our goal on the number of annuals to be sold.

Next Pauline Linn and others on her advertising committee did a fine job getting advertising and Pauline turned out a neat job of copy pages. Ellen Mae, Mrs. Schieber and Mrs. Spiegel with the aid of the Spiegel's truck and Chuck plowed and waded through snow and sleet to get to school on December 20th to meet the December 27th deadline. (School was closed by the big blow.) Rich Schiefer has strong manned pop cases at basketball games this year when he wasn't playing the varsity game. Our annual fund grew thereby. The photographers under Eddie with his everpresent flash camera have made a lot of good snaps and you'll be seeing them as you pursue this volume.

Everyone has been most cooperative; we've learned a lot and we hope you like our production.

MRS. RALPH SCHIEBER
Advisor

Senior Class History

One eventful day in September 1940, thirty-four of us, scared, happy, or resigned, started our school days at Holmes-Liberty. Miss Jessie Shoaf had a big job teaching us not only the three R's but the beginnings of good citizenship. Miss Doris Green was our second grade advisor while Miss Belva Clary led us through our third year of school.

In the fourth grade Mrs. Daryl Gatchell was our patient teacher, Mrs. Robert Cook was our fifth grade instructor, and in the sixth grade, we had our first man teacher, Mr. Ulmer.

On reaching the seventh grade, our first thought was, "Now half of our school years are over." With the added responsibilities of electing class officers and having class parties, we felt that we were really growing up.

In the fall of '49 thirty-three members moved into the freshmen class. We had looked forward to the time when we could join the various clubs and participate in the different sports, but one thing that we dreaded was initiation. Soon, however, this was over, and much to our surprise, it hadn't been so bad. We were now full-fledged members of the high school.

As Sophomores we could look down on the freshmen and laugh at them. We now had a large number of our group represented in the different sports, band, choir, and other organizations. We had twenty-five members in our class and all helped plan the big event of the year, the Sophomore Hop.

With twenty-five members and Mr. Opfer as advisor, we began our Junior year at H-L. We found many ways to earn money for our treasury: selling ice cream, Christmas cards and stationery; picking corn; and hauling away tin cans from school. We were asked to help publish the Annual and gladly co-operated in this big job. We were very happy and excited when the day came to choose our class rings.

After receiving our rings, we felt one step closer to graduation. We gave our Junior Play "Beauty and the Beef" on March 16. One of our biggest problems was planning and sponsoring the Junior-Senior Banquet which was held at the Y.M.C.A. in Bucyrus and featured a completely new idea, a five piece orchestra.

Now as Seniors, we know we have attained the highest plane in school, a level to which every student looks forward. We have many disagreements with the teachers, but the process of smoothing them out is also a most vital step for us. As a senior, each person should get all he can out of school for this will be his last chance to do his best with the group.

On September 26, we went to Fostoria to the Dicken Studio to have our pictures taken. Most of us feel that these pictures will be a life-long remembrance of our greatest year in school. On October 19, we presented our Senior play, a three-act comedy called "Boarding House Reach". Every member of the class had a part in the play and thanks to Mrs. Schieber, it proved a success not only from the standpoint of acting but financially as well.

On October 27, we went to Bowling Green, accompanied by some of the teachers, to see Bowling Green beat Ohio Wesleyan in football. What a day! Rain and sunshine!

We still are busy with plans for commencement, class memorial and class trip to complete. We realize the training we have received will soon have to be put to a real test as we start out into the world completely "on our own," and we hope that next year, as you look at our pictures hanging on the study hall wall, you will remember that we went through school to graduation, day by day, doing our best. If our activities and achievements remind you pleasantly of the class of '52 we will be completely satisfied.

Class Prophecy

It was 1967 and I was thinking about the good old days at Holmes-Liberty High School. First on the list of my memories were my classmates. I wondered how or where I might be able to find out about them. Then the idea occurred to me that the logical place to locate a few of them would be the Brandywine Unemployment Office. There the next day, to my surprise and delight I encountered quite a few of my old class mates!

The first member to greet me was Ruth Butte, the receptionist. She informed me that eventually all of our classmates' names had turned up in the unemployment files. She also said that she had been running a horse-riding academy in her spare time.

The next surprise was the appearance of the president of the Unemployment Agency, none other than Chuck Crall. As if running the office didn't cause enough worry, he said that he refereed basketball games for the local school on Friday evenings. After telling him of my mission to the office, he very happily obliged and rang for his private secretary was? - - - you guessed it, the former Gale Bowen.

The first name in the files to catch our eyes was that of Junior Anthony. We discovered that he had held several jobs. The first was as a photographer of the bathing beauties at Miami Beach. He soon gave this up, however, to serve as president of the Lonely Hearts Club which he had recently organized.

The next name we found in the file was that of Janet Brinkman. Her name had been crossed off the list as a prospective employee and after inquiring about this I discovered that she had plenty of work at home without outside employment as she had achieved her ambition and was a housewife with six children.

Just then the door opened and who should walk in but Charles Cady, the local truant officer. He was on the trail of some of the Crall children and stopped in at the office to see if anyone there could give him a lead. I asked him if he had heard of any of the old classmates and he informed us that his old pal Stanley Sipe had just been named president of the Gulf Oil Company and that he was still trying to help Junior get members for his Lonely Hearts Club so that he could achieve his ambition of being the youngest bachelor alive.

I'd heard rumors that some of the gang had achieved some high awards in the field of Athletics so I asked to see the file on recent positions filled in that occupation. Chuck again rang the buzzer and the file was brought in, this time by another classmate, Dolores Ross. We asked her if she enjoyed working at the Unemployment Office and in answer she assured us that she couldn't think of any better place to latch onto a new job.

While leafing through the Athletic file we found that several of our members were listed. The first thing we noticed was that the Cleveland Indians were now owned by two Bobs - - - Hope and Koons. Another member, Barbara Gearhart, was listed as the official Women's baseball manager of the United States. She was awarded this position after having organized a world series for women which was rising in popularity day by day. Galen Whitmeyer had achieved fame in the Olympic Games, because he was now a famous track star. Could it be that he had received his start in Mr. Cameron's backyard? Another member who had recently been active in athletics was Harley Chamber, Champion checker player of Crawford County.

Looking out into the waiting room I noticed Richard Schiefer waiting for a better job. He told me he was tired of being office boy to the Swan Rubber Company. Chatting with him was another classmate, Peggy Shoe-maker.

She was waiting to interest some mechanics to work in her husband's Stahled Car Garage.

As we were sitting there the telephone rang and it turned out to be Grace Hawkins calling to inquire about some employees for the Jewelry Store which she operated. The store specialized in changing the size of class rings. Gale immediately began to check on possible employees in the file and while she was leafing through it I noted the names of several more classmates.

Wayne Scheffler was listed as a professional judge of beauty contests. Donna Oberlander was also listed as a prospective employee, for any 10¢ Store except the Morris. Ruth Heft was listed as the head of the Ocoola Boy Scouts.

The next file we came across was listed "Musical Occupations". Here we found Ellen Mae Spiegel's name filed as a concert pianist.

She also played second trombone for "Strike Up the Band". Another so called part-time musician was Dorothy Schieber. She played 3rd Ukelele in the same band, but aside from that she served as the assistant librarian at West Point.

It was noted that Pauline Linn had been a recent winner of several beauty contests. Some of these had been televised over WDON, the Lemert television station where

Don Ruehle served as announcer, performer, engineer, technician and owner. Norma Whitmeyer had also appeared recently on the station since she had been elected Mrs. America of the Air Force.

So having accomplished my task, I bade farewell to my classmates and left the unemployment office with the happy satisfaction that the members of the Class of 1952 had succeeded in many fields.

Last Will and Testament of Senior Class '52

With all due regard to those who may think us otherwise, we, the exceedingly intelligent and superior members of the class of 1952, after struggling through twelve years of severe mental torture to attain this high and reverend moment, believe it is now our right and duty to set forth this last will and testament, thus declaring null and void all such other wills previously made by us. We do here and now will our sole possessions to the following worthy people and groups.

I, JUNIOR ANTHONY, will my ability to make sucker shots to Carl Schimpf.
I, GALE BOWEN, will my love for cheering at basketball games to Beverly Gossman.
I, JANET BRINKMAN, will my quiet ways to Marlene Hinaman.
I, RUTH BUTTE, will my ability to get out of so many classes and study halls to Mary Elizabeth Grau.
I, CHARLES CADY, will my English Literature book to Daryle Cobb.
I, HARLEY CHAMBERS, will my job as basketball manager to anyone who wants to work.
I, CHARLES CRALL, will my ability to get home on time during basketball season to Buster Tschanen.
I, BARBARA GEARHART, will my love for participating in sports to Meri Lynn Boyd.
I, GRACE HAWKINS, will my love for Holmes -Liberty to Loretta Downing.
I, RUTH HEFT, will my red hair along with my temper to Carol Wilson.
I, ROBERT KOONS, will my resemblance of Clark Gable to Dick Hawkins.
I, PAULINE LINN, will my freckles to Carol Liapply.
I, DONNA OBERLANDER, will my love for

walking to school to Harriett Bowen.

I, DOLORES ROSS, will my ability to keep out of trouble to Malcom Cameron.

I, DONALD RUEHLE, will my long legs to Pete Stineman.

I, WAYNE SCHEFFLER, will my ability to make up funny stories to Charles Rossman.

I, DOROTHY SCHIEBER, will my Soprano Saxophone to Dick Jeffrey.

I, RICHARD SHIEFER, will my State Farmer Degree to Edward Reiter.

I, PEGGY SHOEMAKER, will my ability to go with tall guys for so long a time to Joan Brinkman.

I, STANLEY SIPE, will my ability as a garage mechanic to Elden Campbell.

I, ELLEN MAE SPIEGEL, will my brown eyes to Phyllis Wilson.

I, GALEN WHITMEYER, will my ability to go with a girl for so long and yet not go steady to Donald Crall.

I, NORMA WHITMEYER, will my ability to get a wedding ring to anyone who doesn't want to be an old maid.

To Mr. Cameron, we leave a wide-awake and talkative Social Life Class.

To Mrs. Spiegel, we leave the mysteries of Chaucer and Old English poetry, and a ray gun to get the right answers out of the kids.
To Mr. Cade, we leave our grateful thanks for his efficient handling of our class and organization funds.

To Mr. Opfer, we leave all the little boys and girls who won't appreciate him now, but may grow up to later.

To Mrs. Bowen, we leave two full Home Economics periods without interruption.

To Miss Stayrock, we leave a choir that will behave and a baton with a squirt gun

to keep the attention of some of the band members from wavering.

To "Doc", we leave the thanks for the help he has given us in getting out of many problems, difficulties, and general "scrapes". We are humbly grateful. He is a symbol of what school teachers should be.

To Mr. Heft, we leave "x" the unknown quantity and the hope that someday someone will find it.

To Mrs. Schieber, we leave all the Seniors she won't have to mark tardy next year.

To the Juniors, we leave the back seats of the auditorium.

To the Sophomores, we leave some vitamin pills to help them over the struggle to raise money for the Junior and Senior years.

To the Freshmen, we leave happy and successful high school years.

To the Eighth graders, we leave harder studies and more responsibilities that go with them. We wish them lots of fun during their high school career.

To the Seventh graders, we leave the thrill of at last being a part of that wonderful thing

---high school. Also we leave unto them the teachers---some odd sort of creatures, not quite human, yet in human form. They will find that these beings, however, can be their best and most trusted friends if you give them a chance.

To the Cooks, we leave an ample supply of the new type of pills that contain all the necessary foodstuffs so they won't have to cook or wash dishes.

To the Bus drivers, we leave sound-absorbing busses that will take up all the noise the kids make.

To the School Board, we leave all our surplus money for new lights in all the rooms.

To the janitor, we leave our paper and gum wads, erasers, and our thanks for all the times he's helped and cleaned up after us.

To the School, we leave our flag we won for having the most magazine sales, to be kept in the Senior home room each year.

In witness where-of we have hereto affixed our seal this fifteenth day of May in the year one thousand nine hundred and fifty two.

THIRD ROW: James Shaffstall; Homer Ulmer; Richard Jeffrey; Daryle Cobb; Martin Lutz; Burdette Daye.

Early in the year the Junior Class elected officers and decided to embark on three money making schemes to finance the Junior-Senior Banquet. We sold Christmas Cards, Ice Cream, and Basketball programs which got us into business in a big way.

Along with the duties of our class, members were in F.F.A., F.H.A., Girls' and Boys' Glee Club respectively, Band, Choir, and Athletics.

Our class rings finally came early in November. After the usual ohs and ahs were exchanged, everyone was well satisfied.

The Junior Play was given March 28, 1952, and it proved to be a highlight of the year's activities for all of us. Mrs. Schieber was a great help in presenting it.

The big event was, of course, the Junior-Senior Banquet held at the Harding Hotel, Friday, April 18, 1952.

At the close of its Junior year, the class is well on its way toward graduation and the members can look back over it as a profitable and happy one.

Elementary News

With the motto "Learn by Doing," the first grade has enjoyed working under the new fluorescent lights. There are seventeen girls and twenty boys in the first grade. In music they enjoyed clapping their hands and whistling with the music.

The second grade is happy to have both new chairs, which are for our reading groups, and also new fluorescent lights in our room this year. It was great fun when the girls and boys had many contests in spelling and numbers. The children were enthusiastic about changing from manuscript to cursive writing. Keeping the bulletin boards gaily decorated has been an interesting art project. During the year we have enjoyed several lovely birthday parties; also the Halloween and Christmas parties. The children especially enjoyed making gifts for their mothers and fathers at Christmas time. Many mothers have visited us this year and we always welcome visitors.

The third grade consists of seventeen boys and seventeen girls. One of our big projects this year was the study of Indians. We made looms and wove rugs as did the Indians. The boys also made Indian "Wigwams." Several boys brought bows and arrows which they made at home. For Christmas we made salt and flour plaques of our hands. After painting these we shellacked them. However we didn't get to take them home at that time. Our vacation started early due to snow. Our Christmas party was also postponed because of this. With Spring came the Operetta which is always the high spot of the year.

This year there are fourteen girls and twenty-seven boys in the fourth grade. We have two pairs of twins, Carol and Lyle Angene and Linda and Larry Johnson. We enjoyed giving a program

for a grade assembly in October. We wove pot-holders and painted wooden teapots to hang them on, for our mothers for Christmas. However we had an exchange of gifts and each received a treat on January 3rd, 1952. Our most interesting project during the year was a unit on New York City. We shared the things that we collected while on a sight seeing trip there with our friends by having an exhibit in our room. After our imaginary trip to the largest city in the United States, the girls decided that they enjoyed the museums and small shops on Broadway the most. The boys liked the harbor and riding on the subway the best. All of us decided that New York City would be fun to visit but would rather not live there.

The fifth grade has had a pleasant year working in a newly painted room. The children have taken care of it well and are very proud of it. The boys and girls enjoyed having a spelling contest. During the first half of the year the boys won, so the girls had to treat the boys. The children enjoyed putting on the operetta and their many birthday and holiday parties during the year.

During the school year of 1951-1952, the sixth grade participated well in intramural softball and basketball. Every boy in the class played on either of the softball teams which paced the elementary league and defeated some high school squads. The boys playing basketball fought hard in every contest, and the sixth grade boosters were cheering them on to victory, led by their very own classmates. The Operetta was enjoyed very much by the sixth grade and will long remain an experience to remember by many members of our grade.

This year again the F.H.A. has been very busy with Mrs. Bowen as advisor and Mrs. Ralph Hinaman and Mrs. Walter Gearhart as club mothers. During the summer, three of our girls, Janet Butte, Ruth Butte, and Marlene Hinaman, attended the F.H.A. camp at Camp Muskingum. The newly elected officers also attended the Officers' Training School held at Mt. Gilead, where they took charge of the registration. Marlene Hinaman attended an Officers' Training School held at East Lansing, Michigan, in her capacity as a state vice-president.

One of the first events of the year was the annual Chicken Roast with the F.F.A. A party followed. Then on November 9, the group, in observance of National F.H.A. week, held a chapel-assembly.

Had you stepped inside the Home Economics room two or three weeks before Christmas, you would have seen the girls working very hard making baskets. They brought in old Christmas cards, pasted them on cardboard, and then sewed them together to form colorful baskets. As Christmas drew nearer the girls made candy, popcornballs, and cookies. They filled the baskets with these products and fruit, then tied them up very prettily in cellophane wrappings. Later they were delivered to the County Children's Home. The girls had planned to present a program to the children there, but weather conditions forced a cancellation of the program.

A bake sale in December brought our treasury to the top again. The Senior and Freshman girls sponsored it at the Second National Bank. The Sophomores and Juniors sponsored one later in the spring. Other sources of income were from popcorn sales at the basketball games and a rummage sale. The major spring events were the annual Sweetheart Party, the F.F.A. and F.H.A. Banquet and a Mother's Tea and style revue. The F.H.A. has had a busy, happy year.

Music

"Music is the inspiration for work and play."

Music has always been a major part of the activities at Holmes-Liberty, and this year has proved no exception. Upon arrival at our first music class we were greeted by a new face, Miss Stayrook, the head of our Music Department this year.

The first appearance of any musical group was that of the choir at the County Teachers' meeting at Chatfield on September 28. On the way over in the bus, the choir began to vocalize. It must have been quite enthralling, because Miss Stayrook was so obviously entranced by the music(?) she almost ran into the back of the bus.

Dressed in their snappy black and orange uniforms, the band made its first showing at the Teachers' Reception. Maybe it was wishful thinking on the part of the members, serenading the teachers so early in the year.

Time for the annual band festival was drawing near. Committees were posted, tickets were sold, phone calls were made, but it all was well worth the effort. This festival proved to be the biggest and best one ever. Marlene Hinaman was crowned the festival queen in an impressive ceremony.

During the Hallowe'en season the band marched in the annual Mardi Gras parade at Bucyrus. Maybe their hats were a little jauntier and perhaps they stepped a little higher than usual, but they had good reason to be proud; Peggy Shoemaker was one of the contestants for the Mardi Gras beauty queen.

If anyone was curious about the racket that was going on in the gym, he soon learned it was merely the band members stumbling and tripping over each other and themselves as they prac-

ticed their formations. This was something new and different. At the half-time interval of the basketball games they assembled on the floor and entertained the crowds with the results of these sessions. They performed away from home when they traveled to Crestline to play at the Leesville-and Holmes-Liberty battle.

The seventh, eighth, and ninth grades were combined this year for the first time as Junior High Glee Clubs. Their first appearance was with the Senior High Glee Clubs at the annual Christmas program.

This program, in spite of the weather difficulties, proved to be very beautiful and impressive. Several members were absent because of snowdrifts, but last minute substitutions were made. As they say in show business, "The show must go on." Our Christmas program proved no exception.

On February 9, six boys and six girls went to Delaware to blend their voices with approximately 488 more from all over Ohio. This event was the Music Festival which is always looked forward to with great anticipation by those who are chosen to go.

As our annual goes to press the band and choir members are planning to compete with school groups for the coveted State I rating. This contest is held at Hopewell-Londen school at Bascom, Ohio.

Again this past season we have learned that music can be work and can be fun. We soon discovered that the "u" in music and in fun means "you". We found out that you have to be willing to work for whatever you want out of music and while doing this you realize it's really fun.

BASEBALL

The baseball team started its season with a loss to New Washington, 12 to 0. Following this we won over Lykens, 11 to 8. The team then played Mt. Zion and lost 6 to 1. Next we met the Leesville team and were downed 12 to 0. The last game was at Sulphur Springs where we lost

8 to 0. This ended the regular season.

In the baseball tournament held at Leesville we played Chatfield first. We beat them 5 to 3. Then we played Tiro and they downed us 10 to 9. This put an end to the '51 baseball season.

Varsity Basketball Sketches

RICHARD SCHIEFER "Dickie", a senior, stands 6'3" tall and is playing varsity ball for his third Year. Rich's favorite shot is a hook shot. His pet peeve is, "Why didn't you throw me the ball? I was in the open".

JUNIOR ANTHONY "Collie", a senior, stands 5'9" tall and is playing varsity ball for his third year. Al has a collection of favorite shots, either a set shot from side court or a jump shot when getting the ball off the backboard. His pet peeve is in letting Tiro take the ball out of his hands every time he gets it.

Junior Anthony Collie

BOB KOONS "Snorky", a senior, stands 6'3" tall and is playing varsity ball for the first time. His favorite shot comes from a drive in from the corner. His favorite gripe is all the free rides his opponents get by standing on his feet.

CHARLES CRALL "Rudolph", a senior, stands 5'10" tall and is playing varsity ball for the second year. Just as his nickname implies he too likes to fly through the air in taking his favorite drive-in shot. His pet peeve is the way the opponents rough up his brother and he is always after the officials to get the opponents to stop the rough stuff.

Donald Crall

DONALD CRALL "Pokerface", a sophomore, stands 5'8" tall and is playing varsity ball for the first year. His favorite gripe is that his teammates don't talk him into shooting more.

NORMAN SCHIEFER "Mayor" is a junior and stands 5'8" tall and is playing varsity ball for his second year. His favorite shot is to get free on the pivot and take either a hook shot or his surprise shot from way out. His pet peeve is those "officials" who always seem to catch him on infractions of the rules.

WAYNE SCHEFFLER "Crickets", a senior, stands 5'8" tall and is playing varsity ball for his second year. His favorite shot is a pivot shot in which his body goes every direction. His pet peeve is that his coach is always insisting he use his left hand for a hook shot.

Wayne Scheffler

DONALD RUEHLE "Duckie", a senior, stands 5'6" tall and is playing varsity ball for his second year. His favorite shot is a running push shot from side court. His pet peeve is that he can't always win a bet from his little brother on whether he will make one point.

Donald Ruehle

BUSTER TSCHANEN "Skinner", a junior, stands 5'7" tall and is playing varsity ball for the first year. His favorite shot comes from the corners or right under the basket. His pet peeve is "Why don't they put cushions on the bench."

Edward Tschanen

JOHN SANDS "Mousie", a freshman, stands 5'7" tall and is playing varsity ball for the first year. His favorite shot is a set shot from the side lines far out on the floor. His pet peeve has not developed yet since he is only a freshman.

John Sands

The basketball teams played fifteen games in the regular season. The Varsity ended the season with a record of nine won and six lost. The team was in fourth place in the county league standing.

The Reserve ended their 51-52 season with a record of six won and nine lost. They fought very hard through the season and should receive more credit than what their record shows.

On Feb. 12 the county basketball tournament got under way. We were scheduled to play Chatfield in the first game of the tournament, Chatfield turned out a wicked night, because they upset us by a score of 40-46. On Feb. 14, we met Sulphur Springs. This game was hard fought all the way, but when the final buzzer sounded at the end the score stood Sulphur Springs 75 - Holmes - Liberty 62. Thus ended the 1951-52 season for us.

Girls' Athletic Association

The Girls' Athletic Association provides a wonderful opportunity for girls to take part in school activities. It also creates leadership and promotes sportsmanship among the girls.

All girls in the gym classes are eligible to join the G. A. A. However, according to our revised constitution, certain standards regarding grades, conduct, and participation must be maintained or the student is dropped from active membership.

During the season we played two softball games. The first, with Lykens, was a very rough and tough one and ended on our favor. The result of the game with Sulphur was never officially announced. There was a difference between Sulphur Springs and H-L about rules, and after some arguing back and forth, and due to the fact that the boys finished their game first, we went home without a final score. Later in the year we again met Lykens and played basketball. This was a hard fought game, played on their floor, with H-L emerging as the victors.

The G. A. A. entered and sponsored a poster contest for Homecoming Night. This contest was open to any school organization or group. Upon payment of an entry fee, the group was eligible to enter competition. After the various entries were judged, Barbara Gearhart presented the trophy to the Band.

The group also sold candy at the basketball games, and this project rounded out a successful year for the G. A. A.

- Sept. 4 School started. Everything seems to be going o.k. There are new teachers. Hello Mr. Cade, Miss Stayrook, Mr. Eicher and Miss Kerns. Something surely is missing. Goodness, no Superintendent. We hope Mr. Cameron will soon be back.
- Sept. 5 Election of Class Officers. Did you get the office you wanted?
- Sept. 6 Mr. Heft, would you like to be Superintendent all the time? No fooling, he is doing a good job.
- Sept. 7 Ring salesman talked to Juniors. "I like this one". It took two periods, but they ordered their class rings.
- Sept. 10 Pauline and Joan went to 4-H Club Congress at Columbus. Have a good time, girls. Well, a new but yet familiar face. Welcome Mr. Cameron.
- Sept. 11 The first movie this year. Whom did you sit with?
- Sept. 12 Is everyone getting into the routine of school by now?
- Sept. 13 Are you boys practicing hard for the game tomorrow? Freshmen girls, what is so interesting at the Upper Fair?
- Sept. 14 First baseball game -- better luck next time, boys. Pauline and Joan are back from Columbus. Tell us all, girls.
- Sept. 17 Had FHA meeting at school. What? No FFA meeting?
- Sept. 18 Senior play books arrived. Mr. Cameron is back all the time now, and everything is going as usual.
- Sept. 19 Annual Staff elected. Ellen Mae chosen Editor in Chief. Mrs. Schieber and Mrs. Spiegel are the advisors.
- Sept. 20 Tryouts for the Senior Play. "I hope I get the part I want." Freshmen, why are you scared already?
- Sept. 21 We played Lykens today. Hurrah, the boys won. Good work, boys. Too bad, girls. Freshmen Initiation tonight. The Seniors had a harder evening than the Freshmen.
- Sept. 22 Seniors went to Bowling Green to a football game. The weather helped to make things interesting. One minute rain, the next, sun. What a day!
- Sept. 24 Annual staff started off the big job of soliciting ads.
- Sept. 25 Played Mt. Zion. Tough luck fellows! Teachers' reception this evening. The band played. What was the matter, Doc and Mr. Opfer. Did you forget you have wives?
- Sept. 26 Seniors had their pictures taken at Fostoria. Juniors reigned supreme. Quiet wasn't it? Seniors went to a show in the evening. We wonder who went with whom?????????
- Sept. 27 Played Leesville. Too bad, boys. It must have been the effects of the night before. How about it boys???
- Sept. 28 Senior proofs arrived "Oh, my, we didn't know we looked that bad. County teachers meeting at Chatfield. The Choir sang as a part of the program. The members thoroughly enjoyed the bus ride to and from the meeting.
- Oct. 1 FHA meeting. Everyone is busy planning for the Rummage Sale.
- Oct. 2 Just another day of school. One of those dreary days.
- Oct. 4 Rummage Sale starts. Committees are planning for the Chicken Roast.
- Oct. 5 Tryouts today for cheerleaders. Congratulations to Gale, Galen, Pauline, Joan, Marlene and Carol. We went to Sulphur Springs for a baseball game. Tough, boys. Good work, girls. We rounded out the day with the Chicken Roast. Did everybody have enough to eat? Looks as if all the cider was gone.
- Oct. 6 Last day of Rummage Sale. The girls decided it was well worth all the trouble. Eight girls went to Columbus to State Homemakers' meeting.
- Oct. 8 Homer, Norman, Bob K., Merton, Joel, and Mr. Opfer left for Kansas City. Have a good time, boys.
- Oct. 9 Baseball tourney. We beat Chatfield 5-3. Nice going! Keep up the good work, team.
- Oct. 10 Tiro game. What a game! Lost 10-9.
